Help us carry the message!

Put out a donation can at a meeting and buy a subscription for someone or a facility. If everyone you know already has one, you can go to aagrapevine.org/CTM and purchase a subscription. If you enter our email address (area41grapevine@gmail.com) when purchasing, we'll receive the code. If you enter your email address, you can forward us the confirmation email. The Grapevine Committee will then find a facility in need.

Look familiar??

Enough is enough with hoarding Grapevine issues. There are alcoholics in need in several institutions that would be very grateful to have copies of our *meeting in print* made available to them! Please bring your used (but still useful) Grapevines to the next Area 41 assembly and help us collect 1,000 Grapevines by the end of 2017.
