

Lights of Hope

National Recovery Month

Hope brings addiction out of the shadows and into the light!

Please join the Division of Behavioral Health Office of Consumer Affairs of DHHS as we come together to:

- ◆ Erase stigma and offer hope as people **CAN AND DO RECOVER!**
- ◆ Show support for those in recovery
- ◆ Remember those lost to a substance use related death
- ◆ Offer support and resource information for those still struggling with substance use and their families

We will offer a limited number of luminarias to line the Capitol stairs. There will be an opportunity to personalize the bags for yourself or a loved one and attendees are welcome to bring photos.
