# MISS ME BUT LET ME GO

Miss me, but let me go  
When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom filled room  
Why cry for a soul set free  
Miss me a little – but not too long  
And not with your head bowed low  
Remember the love that we once shared

Miss me – but let me go  
For this is a journey that we must all take  
And each must go alone  
It's all a part of the Master's plan  
A step on the road to home  
When you are lonely, and sick of heart  
Go to the friends we know

And bury your sorrows in doing good deeds  
Miss me – but let me go
