Re: Elections of OVER Board Members

With the situation of OVER in the Current state, I would Request that we have special Election of Board members and Officers. My reasoning for this is that I believe that everyone involved with OVER wants the best for our Veterans. As Per our By-laws I believe that we are to have Elections every January. With no board member serving more than 2 consecutive terms. If I am reading this wrong please let me know.

My hope is that OVER gets new people involved with OVER and the organization we all worked so hard to start, and keep going for almost 7 years, will not have to dissolve and go away.

I realize that we have tried to have elections in the past with no avail. My thought is that one last try will not hurt anything. I say that we post something on the website and send out a letter via e-mail, that has the job duties and the time and place of the vote. I say 29 July 2018 at 1400 Hours. Havelock United Methodist Church.

Feel free to use this letter if you want. Any and all thoughts are welcome and appreciated. If there is no interest then we need to proceed with the next step to help the veterans that we said we were going to help. However that may be.

Very Respectfully,

Matthew Lewis  
Vice-President
