

The Color Purple by Alice Walker

"I think it makes God angry if you walk by the color purple in a field somewhere and don't notice it." You see we live in a beautiful world lush with flowers and vegetables that Carol spent a lot of time nurturing and growing. She knew that at times this was difficult work, what with weeding and watering and picking. Let us remember that in times of trouble, difficulty and even sorrow, we must remember to notice..... that this really is a beautiful world.

Continued

Carole was blessed with many grandchildren, niece & nephews, cousins, & numerous extended family members, alongside her two precious puppies; Daisy and Opra. Carole will be grieved, in addition, by the many incredible friends that could be considered family as well.

Carole served as a Corrections Officer Counselor at the Youth Development Center in Geneva, Nebraska, where she retired after more than 20 years. She was then able to pursue her love for helping those in need within the AA community. And to relish in her passion for gardening, which she was known for freely given away the fruits of her labor.

The Lord's Prayer:

Our Father, who art in heaven,

hallowed be thy name,

thy kingdom come,

thy will be done,

on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our debts,

as we forgive our debtors.

And lead us not into temptation,

but deliver us from evil.

For thine is the kingdom,

and the power, and the glory,

forever. Amen.
